EXPERIENCE

Quantworks, Remote – *Junior Front End Developer – Intern*

May 2022 - August 2022

- Internship. Design and develop elements of applications. Review, update and debug engineers' code.

University of North Texas, Denton — *Senior Design Specialist*

May 2018 - March 2022

- Oversee projects including site visits and inspections while keeping to a budget and schedule to ensure the project stays on track.
- Maintain communication with clients during the whole process to ensure they are up to date on all aspects of the project.
- Work directly with clients to bring design concepts to completed construction.

Consilium Interior Design, Golden Valley — *Design Assistant*

October 2017 - February 2018

- Assisted designers with clients by delivering bi-weekly status updates, and creating design boards and presentations that were then presented to clients.
- Supervised and implemented furniture and accessory installations for various projects.
- Assisted with company events like expos and showroom tours.

Target, Minneapolis — *Auto CAD*

January 2017 - August 2017

- Worked closely with Store Operations and Front of Store Operations in implementing major design changes to the self checkout stations in over 800 stores.
- Trained and created materials for other contractors to utilize to implement current standards and criteria for Front of Store Operations.
- Communicated with field teams during installations to ensure design implementation is complete and executed correctly.
